

INVENTORSHIP

Applicants respectfully request a correction of inventorship in the above-referenced application. Due to the cancellation of claims, fewer than all of the currently named inventors are the actual inventors of the invention currently being claimed in the instant application. Accordingly, applicants submit this amendment to request deletion of the names of the persons who are not inventors of the invention(s) now being claimed.

Pursuant to the requirements of 37 C.F.R. §1.48(b), applicants hereby request to correct inventorship in the above-identified application by deleting the named inventors: **James W. MEARS** and **Yoram RINGER**. Acknowledgement is made that the invention(s) of **James W. MEARS** and **Yoram RINGER** are no longer being claimed in the instant application. This request is signed by a party set forth in 37 CFR. 1.33(b). *See* MPEP 201.03, Sec. III at 200-11 to -12 (Rev. 5, 2006). Authorization to charge the requisite fee is provided below.
